6. Accept both victory and defeat with pride and compassion, not boastful or bitterness and teach your child to do the same.
7. Parents should assist coaches in making sure their child is ready for their races.
8. Keep an open mind and appreciate that the coaches are volunteers.
9. Any parent having a problem or concern should first talk to the coaches or assistant. If this does not solve the problem they should talk to their club president. If the problem persists they should send a written complaint to the president of the SASSA and the board of directors will deal with it.

The directors would like to offer assistance in any way and we look forward to working with everyone. We would like to wish everyone good luck and have a great season.
