Regina's Makowsky off to a great start in World Cup

(Salt Lake, Utah) Brothers Lucas and Mykola are skating at the Salt Lake Olympic Oval this weekend and dad Mike is at the starting line, gun in hand.

Mike is able to watch both his sons skate against the world's best and they are doing dad Proud.

Lucas is sitting in sixth place in World Cup points in the 1500m and finished a respectable eighth in the race Friday at the Salt Lake Olympic Oval. Mykola, in his first year of World Cup competition, is moving up the ladder in Group B with a 10th place finish on Friday.

Lucas picked up his first World Cup podium finish in Europe in November, finishing second in Hamar, Norway. Canadian Olympic trials begin December 27th in Calgary, and Lucas is among the favourites to skate the Men's 1500m for Canada in Vancouver.
